The Mur: Comr recommends that the debit balance of No 4 maybe wiped off from the funds of the Malikappina Swamin temple at Mudukdore, that of No 5 from State grant & the last from the Gumbuz funds. The M.C. has given a hearing & the State grant or the last in his letter dt 27.7.25 the total of the debit balances to be wiped off is only Rs 1980-8-9, and small as the amt is, it does not seem feasible to use the State grant for this purpose, nor is it necessary to trench upon the resources of the institutions.

57) The debit balances maybe wiped off in either of the following ways:—

(a) The debit balances were at the end of June 1924. Sadik grants of the institutions concerned stood have been added on & the credit of the institutions in July 1925 & July 1926, and it should be found out whether the debit balances can be wiped off from the sums now actually at their credit.

GEN. & REV. SEC. 1-APR 1925 MUZRAI

To

K. V. Anantaraman, Esquire., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department.

Sir,

I have the honor to state that from the list of balances at the credit of the Muzrai institutions of the State on 30th June 1924 furnished by the Comptroller it was observed that there were debit - balances against certain institutions. In respect of these the -- Deputy Commissioners concerned have been asked to suggest the ways and means to wipe off the debit balances and needful action will be taken in consultation with the Comptroller on receipt of their ----- replies.

As regards the debit balance of Rs.34617-13-3 standing against Establishment fund and of Rs.953-5-2 against Calcutta Memorial, the - Comptroller was asked to suggest ways and means to wipe off these debit balances. He in his letter No.TADB.1006 dated the 2nd instant states that if the recovery of contribution from institutions for the establishment fund as per para 4 of Government Order No.4334-43/M.F.809-18-2 --- dated the 17th June 20 is not given effect to, a state grant has to be obtained to wipe off the debit balance standing against this fund. The proposals for the formation of the fund were submitted in this office letter No.C.664/22-23 dated 1st April 1924 and this large debit in respect of it which is mainly owing to the cost of the entertainment of special muzrai Sheristedars for the investigation of resources of - minor institutions, and to the cost of special duty work to fix the cash balances of individual institutions shows the imperative necessity of bringing the scheme into operation as soon as possible.

As regards the Calcutta memorial he states that the debit -- balance will be wiped off in the next two years from the provision of Rs.750/- fixed in the scale of expenditure for repairs of the -- institution as ordered in Government Order No.2773-5/M.F.392-22-2 dated the 8th May 1923.

A copy of the Comptroller's letter referred to above is also submitted herewith.

From

To

The Secretary tothe Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

In continuation of this office letter No.C.978/24-25 dated the 28th March 1925, I have the honor to state that the Deputy Commissioner Mysore District who was asked to suggest ways and means to wipe off the

Sri Ranganathaswami at Seringapatam	15-13-6	debit balances shown by the Comptroller against the institutions noted
" Vaideswara swami at Talkad	1047-11-4	
" Narasimhaswami at Maddur	921- 6-1	
Mohamaden institutions in Mandya Taluk.	11- 7-4	

in the margin has reported that he has instructed the Amildar of Seringapatam to adjust the debit balance standing against the Sri Ranganathaswami temple at Seringapatam, that the debit balance in respect of Sri Vaideswaraswami temple at Talkad may be met out of the amount available at the credit of the Sri Mallikarjunaswami temple at Muduktore and that the debit balance in respect of Sri Narasimhaswami temple at Maddur from State grant.

As regards the debit balance standing against the mohamoden institutions at Mandya he has reported that as there is only one annual cash grant of 7-4-0 which is regularly drawn and paid to the Khaji of Mandya there is no probability for a debit balance against this institution.

The Comptroller who was written to in the matter stated that it was due to the payment of Rs.87/- in December 1917 as per his office registers.

The Deputy Commissioner now submits copies of correspondence relating to the payment of Rs.87/- in December 17 as being the arrears

arrears of Khaji allowance then due and states that though the -- Comptroller first objected to pass the bill on account of insufficiency of ~~fu~~ funds at the credit of the institution the bill was sanctioned by Government in their order No.1242-43/M.F.25-16-4 -- dated the 27th November 1917 and as such the debit, balance of Rs.11-7-4 may be adjusted out of the state grant.

From the records received it is seen that the Comptroller in his unofficial note dated 25-11-16 has stated that there was only 72-12-8 at the credit of the institution and that after further communication from the Deputy Commissioner about the amount available at the credit of the institution the bill for Rs.87/- was sanctioned in Government Order referred to above.

In these circumstances I solicit instructions as to how the debit balance standing against the mohamaden institution should be wiped off either it will have to be met from the current years State grant or from the Gumbuz funds.

Copy of the Deputy Commissioner's letter dated 16th June 1925 with its enclosures are herewith submitted for kind persual and -- return.

I have the honor to be,
Sir,
Your most obedient servant,
